### Our Meeting Rooms

The spacious upstairs Main Meeting Room has about 35 seats. The upstairs Sunday School Room, and a downstairs room with a separate entrance, each seat about 15 people.

- The whole building is warm, well kept, welcoming and carpeted. Users are very appreciative of the space and the atmosphere.
- There is a basic kitchenette with kettles, a fridge and microwave.
- During evenings and weekends there is parking for up to twenty five cars on the premises, and plenty of street parking. On weekdays, street parking is unavailable from 10.30 to 14.30 except for some pay spaces nearby, and the car park is occupied by other users, though this is less likely in school holidays.
- The building has a lift and is accessible to wheelchair users. We have a disabled toilet.
- The church has a good internet connection throughout the premises but we do not have any audio-visual facilities available for hirers. Both the Main Meeting Room and the Sunday School Room have grand pianos which may be used with permission.
- Music and Dancing: Please note that the building does not hold a Public Indoor Entertainments License.
- Joint use: Users should be aware that there may be other groups meeting in the building and that some noise may from time to time be inevitable.
- General: The building is in a residential area and users are asked to respect the needs and privacy of neighbours and other users by avoiding noisy activities and by leaving quietly.
- The church does not hire out rooms for parties.
- Current rates may be obtained on request.
- Use of the premises will be subject to the Church's terms and conditions and these will be set out in our Agreement.
